Vikings of Lake Lodge #6-166 Newsletter

Scandinavians United!!!

February 2017

Hei, Vikings of Lake!

I'm Kris Andre-Stocker, your new President. I have been a member of our lodge since the beginning and am excited to be carrying on the traditions established by Mary Beth & Carl and Kirby.

Happy Valentine's Day

We had a well-attended planning meeting at my home on January 16th. There are some fun, interesting new activities planned for our lodge in 2017. You will have to come to find out! (Ed: the calendar is coming your way so watch for it and hang it on your refrigerator!!!)

I encourage all of you to read the newsletter, check out the Sons of Norway website and come to our meetings! Remember, we are now meeting the **SECOND** Sunday of the month. I want to work with you all to make this another successful year for our lodge. It is my goal that we learn new things, get to know each other a little better, meet new people and have fun doing it!!

Med Vennlig Hilsen,
Kris Andre-Stocker

TUBFRIM (TUBerculosis and FRIMerke)

The Tubfrim program has provided funds for years to aid disaled children in Norway. The program was established in 1928 in the Norwegian town of Nesbyen, originally raising money to aid the eradication of tuberculosis among children in Norway.

You need to trim stamps, leaving a quarter inch around the edges and not damage perforations. Then bring them to the Lodge for Evelyn Robison to send on to our District Coordinator, Jon Arild. One pound of trimmed stamps could win you a ticket to Norway (up to \$1000 value).

Sven, a young Minnesotan, came running into the store and said to his buddy, "Ole, somebody just stole your pickup truck from the parking lot!" Ole replied, "Did you see who it was?" Sven answered, "I couldn't tell, but I got the license number."

Velkommen to all the New and Former Officers!!

You will LOVE to celebrate with a special 'mousse' (called "fromasj" in Norwegian).

1 envelope gelatin 2 cups heavy whipping cream
 1/3 cup sugar 3/4 cup cold strong coffee 1 teaspoon vanilla or extract of choice (I use 1/2 vanilla & 1/2 almond) scant 1/8 tsp. kosher salt Norwegian bittersweet or semisweet chocolate for garnish

Add 1/3 cup boiling water into a small bowl. Immediately sprinkle gelatin over the top and stir until it dissolves completely. Set aside to cool. Whip the cream until stiff peaks form. While mixing, add sugar in a steady stream, then gradually pour in the coffee followed by the cooled gelatin. Stir in the extract(s) and salt.

Vaer saa god!

Spoon into ramekins or other individual serving dishes and chill until set, at least four hours or overnight. Grate chocolate over the top and serve. Serves 8 to 10 average servings or 4 to 6 "Viking" portions.
